Mr. and Mrs. Willie Jolley

Dear Willie and Dee:

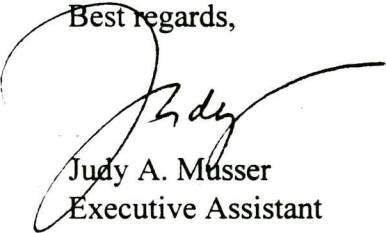

What can I say?

For a meeting planner, meetings are sort of like Thanksgiving dinner. All that time and energy that goes into planning, then it's over and no one gives it much more thought, except, of course, to feel guilty about all we ate and drank. There are a very few exceptions to that, of course. Sometimes we are lucky enough to leave a meeting wondering, "what just happened here - I feel great". "Feeling great, feeling fine, feeling good" are phrases we've been hearing everywhere since Ajilon met Willie Jolley November 4 and 5. Who or what could possibly motivate 145 hard-working, hard-playing (remember the balls?), sometimes cynical, professionals in the consulting industry? Obviously, Willie Jolley can.

It has been delightful working with you and I was just tickled with the success of our meeting. There is no doubt in my mind that it will be a memorable one for everyone who attended. Our people are winners and they deserve to be recognized for their efforts. You helped us do that in a very big way.

Enjoy the shirts - Happy Thanksgiving!

Best regards,

Judy A. Musser
