

Biography

Willie Jolley, CPAE, CSP

There are many motivational speakers, and then there is the one, the only, the incomparable Willie Jolley.

Willie Jolley has achieved remarkable heights in the speaking industry, having come from humble beginnings of being a fired singer, who was replaced by a karaoke machine! He has gone on to be named "One of the Outstanding Five Speakers in the World" by the 175,000 members of Toastmasters International.

In addition, he has been inducted into the prestigious CPAE (Speaker Hall of Fame) and received the CSP Certification (Certified Speaking Professional) from The National Speakers Association. Willie Jolley became the recent recipient of the Honorable Ronald H. Brown Distinguished Leadership Award.

Mr. Jolley has been described simultaneously as a world-class, award-winning speaker, best-selling author and media personality. No matter the venue, from television or radio, to corporate audiences like Wal-mart, Ford, GM, Comcast, Verizon or Marriott, to television and radio audiences around the world, Willie Jolley keeps it moving with high energy and enthusiasm, as he delivers nuggets on how every person can live a better life, one day at a time!

Willie Jolley is the author of several international best-selling books including "It Only Takes a Minute to Change Your Life" and "A Setback Is A Setup For A Comeback!" His latest book, "An Attitude of Excellence," (endorsed by Stephen Covey) is being bought by America's top organizations to
